7. Parents—Are You Using This Powerful Teaching Tool? (15 min.) Discussion.

Jehovah's organization has published a great deal of material to help parents teach their children about Jehovah. Still, one of the most powerful tools that parents possess is their good example.—De 6:5-9.

Jesus used this powerful tool to teach his disciples.

Read John 13:13-15. Then ask the audience:

- Why do you think Jesus' method of teaching by example was effective?

By your example, you can teach your children to . . .

- make good decisions regarding entertainment, alcohol, and the use of social media
- put spiritual things first
- treat a marriage mate with love and respect

As a parent, your actions can reinforce the things that you teach your child orally. Your good example also builds respect for what you teach and can motivate your children to listen.

Play the VIDEO *Teaching Our Children by Example*. Then ask the audience:

- What important lessons did Brother and Sister Garcia teach their daughters?
- How does this video motivate you to continue setting a good example for your children?

7. Be Prepared for Situations That Require Medical or Surgical Care (15 min.) Discussion.

Jehovah promises to be “a help that is readily found in times of distress.” (Ps 46:1) Situations that require medical or surgical care can be distressing. However, Jehovah has provided everything we need to be prepared for such events. For example, his organization has provided the durable power of attorney (DPA), the *Identity Card*,* and other medical information documents[#] as well as the Hospital Liaison Committees (HLC). These provisions help us to obey God’s law regarding blood.—Ac 15:28, 29.

Play the VIDEO *Are You Prepared for Medical Situations?*

Then ask the audience:

- How have some benefited from filling out a DPA?
- How have some benefited from the document *Information for Expectant Mothers* (S-401)?
- Why is it best to contact the HLC as soon as possible in any situation that requires a hospital stay, a surgery, or a therapy, such as cancer treatment, even if it seems that the situation might not involve the blood issue?

ARE YOU PREPARED?

- Put your decisions in writing on your DPA
- Contact the HLC as soon as possible
- Be prepared to inform your doctor of your stand on blood transfusions, on the use of blood fractions, and on procedures involving the use of your own blood.
—See *Iff* lesson 39

* Baptized publishers can obtain from the literature servant a DPA for themselves as well as an *Identity Card* for their minor children.

[#] *Information for Expectant Mothers* (S-401), *Information for Patients Requiring Surgery or Chemotherapy* (S-407), and *Information for Parents Whose Child Requires Medical Treatment* (S-55) can be requested from the elders when needed.

7. Are You a Treasure Hunter? (15 min.) Discussion.

Young ones, do you like the idea of searching for a hidden treasure? If so, the Bible invites you to hunt for the most valuable treasure in the universe—the knowledge of God! (Pr 2:4, 5) You can find this treasure by making time to read the Bible regularly and by digging into the accounts that you read. Doing so can be enjoyable and rewarding!

- What questions can you ask yourself as you read the Bible? (w24.02 32 ¶2-3)
- What tools can you use to find the answers?

The video series *Learn From Jehovah's Friends* can help you to learn how to meditate on what you read in the Bible.

Play the VIDEO *Learn From Jehovah's Friends—Abel.*

Read Genesis 4:2-4 and Hebrews 11:4. Then ask the audience:

- How did Abel show that he was Jehovah's friend?
- How did Abel build his faith in Jehovah?
- How can you build your faith?

**TIP**

When reading the Bible, do some research on the people, places, and things that you read about, even those that you think you know well. When you study the Bible in that way, what you read comes to life!

7. You Can Thrive in Your Ministry Despite Being Shy (15 min.) Discussion.

Page 16

Would you describe yourself as someone who is shy? Do you generally prefer to go unnoticed? Do you get a knot in your stomach at the thought of talking to others? At times, being shy can hold us back from doing things that we would like to do. However, many who have struggled with shyness have been able to reach out and even thrive in their ministry. What can we learn from their example?

Play the VIDEO *Giving My All Despite Being Shy*. Then ask the audience:

- How has Sister Lee benefited from applying her grandmother's advice to "put everything into serving Jehovah"?

The Bible indicates that Moses, Jeremiah, and Timothy may have struggled with shyness. (Ex 3:11; 4:10; Jer 1:6-8; 1Ti 4:12) Still, they were able to accomplish great things in Jehovah's service because he was with them. (Ex 4:12; Jer 20:11; 2Ti 1:6-8)

Read Isaiah 43:1, 2. Then ask the audience:

- What promise does Jehovah make to his worshippers?

How can Jehovah help those who are shy to thrive in their ministry today?

Play the VIDEO *How Your Baptism Leads to More Happiness—Excerpt*.

Then ask the audience:

- How has Sister Jackson felt Jehovah's power and support in her ministry?
- How can the ministry help a person who is shy?
